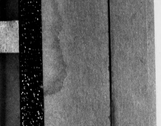
Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.



Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out, because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quaitty-built '63 Chevrolet trucks with all their new improvements.

Strong Comeback Edges R-H 20-18

By Walter H. Carson

The Appomattox High School football team, down one touchdown at the end of the third quarter fought back courageously in the final period to edge Randoph Henry 20-18.

The unbeaten Rebels roared in front early in the first quarter finding the heavier Charolotte line tough to penetrate, the Rebels called on the strong right arm of Jimmy Torrence to cap a sustained drive of sixty yards with a twelve yard toss to Buddy Wilcox, for the first TD.

Torrence to Jamerson pass gave the Rebels their first important extra point.

The Charolotte County boys roared quickly back into contention calling on the strong legs of sensational fullback, Ed Harding. On the fifth play from scrimmage quarterback Perdue flipped out to Harding, on an end run, and the fine fullback was off and away, on an all tackle slant and scampeded into pay dirt from 13 yards out. The extra point attempt failed again.

A few moments later the statesmen were on the move again. Harding took a quick "flip out" from Perdue and behind beautiful blocking rambled 70 yards around his own right end to put R. H. out in front for the first time, 18-14.

With about 5 minutes left in the game the Rebels came back with their most determined drive of the year. With Torrence and Carter out due to injuries, James Whitehead took over the controls and masterfully steered the blue and white to their winning touchdown, with Jamerson getting the final few yards.

As in previous games, the Rebels showed outstanding sportsmanship in their quest of a 3rd consecutive win. Again shining for the Rebels were the interior lineman, consisting of Mayberry, Locado, Carter, Bryant, Phelps, Haley, Terry and in the secondary the magnificent defensive play of Burke and Jamerson.

More Than A Million Dollars To Help County Highways

Summer Work Is Considered "One Of Best"

Current improvements to primary and secondary roads in Appomattox County plus plans for bridge and road construction in the near future will mean an expenditure of more than one million dollars in this county, according to C. A. Palmer, Resident Highway Engineer, of the Appomattox Residency, Virginia Department of Highways.

Among these improvements is the recently completed section within the town limits of Appomattox. $54,000 went into the .263 miles of hard surfacing and widening in the area of West End Market and Reed's Pharmacy, according to a report on county roads made to the TIMES this week by Palmer.

From a 22 foot surface, the roadway has been widened to 40 feet with curbing, gutters, and safety markings added. This present improvement to Route 460 in this area will be extended to the town limits going east, Palmer stated.

All intersections in the improved area have been brought into the highway at right angles, he explained, to afford better vision and safer driving.

Nelson - Appomattox Bridges

A bigger project is slated for early next year when two new bridges over the James River and the C & O Railway on U. S. Route 60 will be built. The James River bridge connect Appomattox and Nelson Counties at that point.

Palmer reported that $817,638 is already on hand for this project, and gave an estimate of close to $1,000,000 as total cost before the old steel truss bridge at Bent Creek and the bridge over the C&O tracks nearly are replaced with new structures.

Tentative plans call for an 800 foot concrete bridge about 500 feet downstream from the existing bridge — and a 473 foot bridge over the C&O tracks, plus approximately one mile of new straight road.

Palmer reported that at the time of the public hearing on the new roadway, Sept. 6, one storekeeper on U. S. 60 remarked that even though the new road would no longer run by her store, the improvement would be "Worth it".

"One of Our Best Years"

This summer's work represents "one of our best years," according to the Highway engineer. More than 10.9 miles have been hard - surfaced in the county.

About $16,000 will be spent on a 2.9 mile strip on Route 611, a section leading from Route 24 to Hollywood church. 1.5 miles have been completed. Palmer excompleted before winter."

Other Secondary Road Projects

(Continued on page 2)

"Better vision, wider road", said C. A. Palmer, resident engineer, as he discussed the new intersection of Court street with Route 460, shown above.

Prosecutors Named; New Hearing Oct. 26

The Commonwealth's Attorney George Abbitt, Jr., disqualified himself Tuesday in the case of C. Lewis McDermon charged in the slaying of Morton Lewis Ferguson.

Abbitt said he was withdrawing from the case because he was a personal friend of both the accused and the dead man.

Replacing him as prosecutor will be John R. Snoddy, commonwealth's attorney for Buckingham County. Assisting him will be Royston Jester, III, commonwealth attorney for the city of Lynchburg, according to Snoddy.

William Rosenberger, Jr. of Lynchburg will serve as counsel for McDeamon, according to Snoddy.

A preliminary hearing scheduled for Wednesday morning, Sept. 26, was postponed, and Snoddy and Rosenberger conferred during the day on a new hearing date.

The new hearing was scheduled for Friday, Oct. 26 at 2 p.m., according to County Judge Charles F. P. Crawley.

McDearmon, 56, oil distributor and prominent businessman, is free under $10,000 bond. Police are continuing their investigation of the case.

Ferguson, 34, owner of Fort Early Realty Co. in Lynchburg, died of a pistol wound in the chest during an altercation in the backyard of the McDearmon home, Friday, Sept. 21.
